EDGE

Commercial structure is the differentiator — phased terms, usage ties, and outcome milestones over feature dumps. Bridges AM depth with AE ownership: discovery through close, then land-and-expand.

02 OPERATIONS

OP-01

Global advertising platform

PROBLEM	Fragmented buying across regions; no single owner of the upsell path.
APPROACH	Mapped decision units; multi-threaded exec + ops discovery.
STRUCTURE	Phased expansion; usage-tied commercial + shared success plan.
RESULT	Details on request

OP-02

National services company

PROBLEM	Stalled renewal; competitor in evaluation; unclear ROI story.
APPROACH	Rebuilt value case with finance; surfaced adoption gaps early.
STRUCTURE	Renewal + attach; outcome milestones over feature dumps.
RESULT	Details on request

OP-03

Custom AI agent engagement

PROBLEM	Buyer curiosity without budget owner or scoped use case.
APPROACH	Scoped pilot to one workflow; paired sales with solutions.
STRUCTURE	Fixed-fee pilot → production SOW with clear exit criteria.
RESULT	Details on request
